

Perry Outreach Center

April 2025

Director

In these very challenging times, we need more than anything are donations, cash or particularly in-kind. We need your personal presence to volunteer to give a couple of hours a month to the Perry Center. You can call us at 313-749-7324. We need people to work in the pantry or with the various other ministries that we have, health and particularly with the children's program for music and computers. Marian Wright Edelman writes that service is the rent we pay for being citizen. Thank you and may God bless.

Thank you St. Paul of the Lakes!

With the closing of the parish, we lost a technical support (copiers, phones, etc.). This generous donation is allowing us to have functional technology including computers and copier services.

We celebrate officially 1 year as a 501(c)3 organization.
Thank all of you! for your support!
